### **ORG DE RAC WESTERN CAPE SAUVIGNON BLANC 2021**

VARIETAL - 100% Sauvignon Blanc

**VITICULTURE:** The meticulously selected organic grapes used to make this delicious Sauvignon Blanc were picked from the finest vineyards across the Western Cape Winelands. The vineyards have predominantly sandy-loam topsoil with well-structured subsoil on weathered rock. This moderate to high clay percentage retains moisture and provides much-needed water during hot, dry summers. The grapes were hand-picked and delivered to the cellar in small bins to prevent breakage of the berries.

In harmony with nature, a sanctuary for all wild creatures who, by their presence, create the balance that adds uniqueness to the viticulture. Years of nurturing the land and dedicated to preserving it, we have established an environment of value to the planet. This wine is made with minimal interference, fermentation with natural and approved yeasts. Maturation takes place, retaining the unique vineyard character.

**WINEMAKER'S NOTES:** This vibrant, classically styled Sauvignon Blanc presents a pale lemon-green colour. The nose experiences an array of tropical fruit such as melon and passion fruit, citrus fruit and a herbaceous note of green bell pepper. These crisp flavours repeat in the mouth, along with a mineral character followed by a long fruity finish. The distinctive aromas support a wonderfully balanced palate, presenting purity of ripe fruit, coupled with a lingering harmonious finish of fresh acidity.

**COLOUR:** Light and Pale Lemon-green tint

**NOSE:** Predominant fruity flavours of litchi, passion fruit and kiwi balanced with a herbaceous note of green bell pepper

**PALATE:** The fruit driven sauvignon blanc represents a balanced palate with a mineral character. coupled with a lingering harmonious finish of fresh acidity.

**FOOD PAIRING:** Enjoy with summer foods and salad or serve chilled on its own.

**ANALYSIS:** ALC 13.0 % | RS 3.6 g/l | TA 4.47 g/l | pH 3.36 g/l
