WINES

Wildehurst Petite Wilde 2018

100% Petite Sirah

Grapes harvested from old dry land bush vines in the Swartland, fermented using wild yeast and kept on the skins for extended post maceration. Barrel matured in old French oak barrels for 12 months before bottling.

This exclusive wine shows abundant aromas of blueberry, chocolate, pepper and spice. A full-bodied wine, with an integrated tannin structure and a silky finish.
