

Wildehurst Viognier 2019

100% Viognier

Grapes sourced from selected vineyards in the Swartland. The juice was fermented in old 225L French oak barrels and matured on the lees for six months after fermentation.

Beautiful aromas of orange blossom and pear with hints of stone fruit are abundant on the pallet. A firm acidity and well-rounded mouth feel add a touch of elegance to this single cultivar wine.

1565 bottles produced

Alcohol: 12%
