

Wildehurst Tinta Barocca 2018

100% Tinta Barocca

We were lucky enough to source Tinta Barocca grapes from the Swartland to create this unique gem! Fermented using wild yeast, the wine was kept on the skins for extended post maceration and barrel matured for 18 months in old French oak barrels.

Shows a bouquet of red berry fruits with hints of chocolate. Medium to full-bodied wine with elegant dry tannins and a soft silky finish.
