ORG DE RAC CHENIN BLANC 2025

VARIETY | Chenin Blanc 100%

WINE OF ORIGIN | Swartland

VINEYARD BACKGROUND | The Chenin Blanc vineyards at Org De Rac, located in the Swartland region of the Western Cape, are planted on north-facing slopes overlooking the Berg River. The site benefits from a Mediterranean climate, characterised by warm, dry summers and cool evening breezes from the Atlantic Ocean, approximately 50km away.
The combination of organic cultivation practices, low-yielding vines and minimal intervention winemaking ensures that the Chenin Blanc expresses the pure Swartland terroir.

CELLAR | Meticulous sorting of the grapes is done with the use of a berry sorting machine upon arrival at the cellar to ensure only the nest grapes are vinified. Natural yeasts are used for fermentation, and the wine spends considerable time on its lees to create a creamy, textured mouthfeel.

WINEMAKER'S TASTING NOTES | This pale straw-coloured wine with its youthful green tinge shows yellow and white peach on the nose. Crisp entry to the palate, initially lean with a fruit burst only towards the end palate.

SERVING SUGGESTION | Excellent with seafood, creamy pasta dishes, soft cheeses and lightly spiced curries, served at a temperature between 8-10 °C.

AGEING POTENTIAL | 3 - 5 years under proper conditions.

ALC 12.92% | RS 2.1g/L | Total acid 5.5g/L | Free SO2 40mg/L | pH 3.43g/L

HEALTH APPROVAL: RELAX AND ENJOY THIS ECO FRIENDLY, SUSTAINABLY AWARE ORGANIC WINE
